

Customer stories

Four membership sites moved to **PMPPro Max**.

Here's what they said.

The migration

Migrating a 140 GB community history archive could have been highly stressful. With PMPro Max, it was **truly a pleasure.**

“Zero data loss, zero downtime, and pages that now load in under 200 milliseconds.”

Chuck Engels

Carpentersville Memories

The partnership

I need technology that is
dependable, flexible, and
backed by people who
understand the stakes.

PMPPro Max has been

exactly that.

The decision

The decision to move to
PMPro Max proved to be
an excellent choice.

“The Do It For Me option, in my opinion, was
the perfect solution in our situation.”

Hunter Clarkson

The team

**I've always felt like they were
an extension of my team.**
